II.—The lots will be sold with all faults and errors of description, and shall, immediately on the fall of the hammer, be at the sole risk and expense of the respective purchasers, who shall give in their names and places of business or abode, and pay down in cash, if required, a deposit of 20 per cent. of the purchase-money, or such further sum as the Auctioneer may demand, and any sum so paid shall be applicable towards payment for all or any of the lots bought by such purchaser.

III.—The Auctioneer will not recognise the transfer of any lot from one purchaser to another, nor make any alteration in the sale book in respect thereof, nor will any lot be delivered during the progress of the sale.
